

### Credit Life and Credit Protection Critical Illness Cover Table

The Association for Savings and Investment SA (ASISA) has set out standard definitions (ranging from **Most severe** to **Almost full recovery**) for the 4 critical illnesses noted below. The table indicates our scale of benefits for each illness and severity category.

You can use the information in this table to compare our scale of benefits with those offered by other companies. Their detailed information with their scale of benefits will be in their documents. For a detailed definition of the benefits, please contact us or refer to your Youi Credit Protection policy document.

	<b>Most Severe</b>	<b>Moderate</b>	<b>Mild</b>	<b>Almost full</b>
<b>Cancer</b>	100%	100%	0%	0%
<b>Heart Attack</b>	100%	100%	0%	0%
<b>Coronary artery by-pass graft</b>	100%	100%	0%	0%
<b>Stroke</b>	100%	100%	100%	0%
