

## EXTENDED PERSONAL LEGAL LIABILITY COVER

### WHAT IS COVERED?

- ✓ You are covered for all amounts which you are legally liable to pay for as compensation for any occurrence where:
  - liability is not covered by any facility or policy, or
  - the limit of liability of any underlying facility or policy is exceeded. This limit must be a minimum of R500 000, or R1 000 000 in the case of vehicle or watercraft liability.
- ✓ Compensation is subject to there being an underlying facility or policy in force:
  - which provides the same kind of cover for which you are claiming under this section, and
  - where the conditions of the underlying facility or policy have not been broken.
- ✓ The company which compensates you for any underlying cover must have paid, or undertaken to pay, the full amount of the limit of liability which is stated on its Schedule. The maximum we will pay is noted on your Schedule and includes any legal costs which someone else can recover from you and which we agree to in order to settle or defend a claim against you.
- ✓ “Underlying facility or policy” refers to existing cover in force with:
  - a registered South African insurance company which covers personal liability, property owner’s liability, tenant’s liability, motor liability or watercraft liability, or
  - any registered insurance company in the world which covers motor liability in respect of any motor vehicle you own, hire or lease, watercraft liability or property owner’s liability in respect of any watercraft or property owned outside the Republic of South Africa.
